

An aerial photograph of a large outdoor football training facility. The facility consists of several green grass pitches enclosed by black safety fencing. White lines mark the boundaries and goals of the pitches. Numerous players in various colored kits are scattered across the pitches, engaged in training exercises. Tall floodlights are positioned around the perimeter of the facility. In the background, there are trees and a clear sky.

PARSLOES PARK - BOBBY MOORE HUB

The main training delivery takes place at West Ham United Foundation's dedicated training ground at Parsloes Park, East London.

The newly opened “**Bobby Moore Sports Hub**” is a £12.8 million state-of-the-art facility. Named after West Ham's World Cup-winning captain.
