# DEVELOPMENT CAMP

## AGES 10-13

Grouped by age, young players improve their game under the guidance of Chelsea FC coaches, learning to master the skills and techniques for each position in a fun and engaging environment. The curriculum focuses on Chelsea's fast, attacking style of Football, with each day inspired by a different Chelsea First Team player.

Player development is supported through drills, skills challenges, and small-sided games. They develop independence and build self-confidence on and off the pitch, whilst making new friends from around the world.

# ADVANCED CAMP

## AGES 13-17

Set within a world-famous English boarding school, this popular programme challenges players to improve at every level. Players are also challenged on an individual level to improve technically and tactically through a series of pro-style drills, skills challenges and small-sided games. As well as learning what it takes to be part of a successful team, players make new friends from around the world and develop maturity

# PERFORMANCE CAMP

## AGES 15-17

Aimed at club-level players looking to transition to the senior game, this programme takes players deeper into the tactical side of football. Chelsea FC coaches offer players an in-depth insight into how to improve individual performance on and off the pitch.

Off the pitch, players gain valuable insight into what it takes to condition themselves like professionals, including aspects of strength, fitness, and recovery that are essential to raising their level of performance. Alongside this, Chelsea FC provides an introduction to their talent identification process, helping players understand what scouts look for in young talent.

# GOALKEEPER CAMP

## AGES 13-17

Specialist Chelsea FC goalkeeping coaches work with players on the physical and technical aspects of the position such as ball handling, positioning, and distribution. Each day comprises of one session of goalkeeper-specific training and one outfield session, equipping players with the skills needed for this position in the modern game. ## TALENT ID DAY

### WHAT TO EXPECT

All camps include a Talent ID Day, which offers a rare insight into elite player development at Chelsea FC. Hosted at the World Champions' training ground in Cobham, participants will join dynamic coaching sessions led by Chelsea FC coaches that challenge and inspire across all areas of the game.

Players take part in a structured skills test to benchmark their performance against the next generation currently in the academy programme. The day also features a talk from a senior member of the academy back-room team on how young talent can stand out to professional scouts. The experience finishes with an exclusive behind-the-scenes tour of the Cobham facility, giving young athletes a glimpse into the environment where Chelsea FC train.

# ENGLISH TEACHING

## WHAT TO EXPECT

Classes focus on football, harnessing students' passion for the subject to promote language learning in a fun and interactive environment. Using the CLIL (Content and Language Integrated Learning) model of English, qualified teachers infuse language learning into lively and active classes where sports-based projects, discussions and activities take centre stage.

Teachers guide students to improve their verbal communication skills while discussing legendary players, interviewing coaches, or writing and speaking their own match commentary. Learning is supported by English teachers living on-site and English is spoken at all times throughout the camp, creating an immersive learning environment.

## HOW IT WORKS

Students are grouped into classes based on a combination of age and ability. They complete a short online assessment before the camp starts and then speak with a teacher on arrival to ensure they are correctly placed for their level. At the end of the camp, each player receives a written report and advice on how to continue their learning at home.
