COACHING PROGRAMMES

DEVELOPMENT CAMP
AGES 10-12

Grouped by age, young players improve their game under the guidance of Chelsea FC coaches, learning to master the skills and techniques for each position in a fun and engaging environment. The curriculum focuses on Chelsea's fast, attacking style of football, with each day inspired by a different Chelsea First Team player.

Player development is supported through drills, skills challenges, and small-sided games. They develop independence and build self-confidence on and off the pitch, whilst making new friends from around the world.

ADVANCED CAMP
AGES 13-17

This popular programme challenges players to improve at every level. Grouped by age and ability, high-intensity daily training sessions focus on playing as a team in the Chelsea FC style whilst preparing to play competitive 11-a-side matches later in the week.

Players are also challenged on an individual level to improve technically and tactically through a series of pro-style drills, skills challenges and small-sided games. As well as learning what it takes to be part of a successful team, players make new friends from around the world and develop maturity.

PERFORMANCE CAMP
AGES 15-17

Aimed at club-level players looking to transition to the senior game, this programme takes players deeper into the tactical side of football. Chelsea FC coaches offer players an in-depth insight into how to improve individual performance on and off the pitch.

Coaching is modelled on key elements of the Chelsea First Team's playing style, with detailed technical drills reflecting in-game scenarios. Off the pitch, players gain valuable insight into what it takes to condition themselves like professionals, including aspects of strength, fitness, and recovery that are essential to raising their level of performance. Alongside this, Chelsea FC provides an introduction to their talent identification process, helping players understand what scouts look for in young talent.

GOALKEEPER CAMP
AGES 10-17

Specialist Chelsea FC goalkeeping coaches work with players on the physical and technical aspects of the position such as ball handling, positioning, and distribution. Each day comprises of one session of goalkeeper-specific training and one outfield session, equipping players with the skills needed for this position in the modern game. During the outfield sessions, players join their age groups and put their skills into practice in game scenarios.

MATCHES

PLAY TO WIN

Each week Chelsea FC organises evening matches against local opposition*, giving players a chance to represent the club whilst they are on camp. The matches are high-intensity and provide an opportunity for players to play under pressure and test themselves in a competitive environment.

In addition, players on the Advanced and Performance programmes will take part in a weekly inter-camp tournament at Charterhouse School, giving them the chance to play further competitive games against their peers.

*Matches may not be possible on all weeks depending on opposition availability.

PLAYER WELFARE

Caring for your child on camp is our number one priority, so we pride ourselves on hiring the right people to ensure a safe and supportive environment.

HOME FROM HOME

Nothing is more important than the safety and well-being of every child on camp. We have an exceptional on-site welfare team at every venue, who provide round-the-clock care at a personalised 1:6 staff to player ratio. Each venue is overseen by a highly experienced Camp Director, who leads the welfare team to ensure the safe and secure operation of the site. Our staff are dedicated to helping players feel at home, make friends, and enjoy their experience. They are selected and trained to uphold the highest standards of child welfare and safeguarding.

As well as our outstanding welfare team, we have on-site medical staff including nurses and physiotherapists with a doctor on call, ensuring every player is supported both physically and emotionally.

INTERNATIONAL EXPERIENCE

At the heart of Nike Sports Camps is a vibrant, international community, with players joining us from more than 100 countries around the world. This diversity is one of the aspects of camp we are most proud of, giving young players the opportunity to form friendships, share experiences and connect with peers from cultures and backgrounds different from their own.

Being part of such a diverse community offers benefits that extend beyond sport. Players develop confidence, communication skills and cultural awareness, while being exposed to different perspectives and styles of play. For international players looking to improve their English, camp also provides an immersive language environment. English is spoken throughout, with players naturally building their confidence and fluency as they communicate with staff and players from around the world.

MOBILE PHONES

UNPLUG ON CAMP

We recognise the pressure that digital overload and social media can place on young people today. Our camps offer a valuable opportunity to unplug, creating an environment where players can step away from screens and focus on real-world friendships and experiences.

To help players switch off and fully engage with camp life, we use a structured mobile phone policy that limits screen time to designated windows each day. By creating space away from the constant noise of the digital world, players can be more present, build meaningful connections and fully immerse themselves in the experience – making memories for life.

CAMP VALUES

At the heart of everything we do on camp are our values: Drive, Resilience, Empower, Adapt, Mentor and Success – which together form DREAMS

D — **DRIVE**
Give your best effort in everything you do

R — **RESILIENCE**
Be brave enough to step outside your comfort zone

E — **EMPOWER**
Support each other and share positive energy

A — **ADAPT**
Be open to change in order to grow

M — **MENTOR**
Be a positive role model by showing respect and kindness

S — **SUCCESS**
Celebrate each other's successes and everyone becomes stronger

WHERE DREAMS ARE MADE

Our values are designed to equip players with the qualities and skills to thrive both in sport and life. Each day of camp is built around one of these values, shaping the focus of coaching sessions, afternoon workshops, and English lessons. Together, players will explore what these values mean and how they can embody them while on camp and carry them forward long after they leave.

ENGLISH TEACHING

WHAT TO EXPECT

Classes focus on football, harnessing students' passion for the subject to promote language learning in a fun and interactive environment. Using the CLIL (Content and Language Integrated Learning) model of English, qualified teachers infuse language learning into lively and active classes where sports-based projects, discussions and activities take centre stage.

Teachers guide students to improve their verbal communication skills while discussing legendary players, interviewing coaches, or writing and speaking their own match commentary. Learning is supported by English teachers living on-site and English is spoken at all times throughout the camp, creating an immersive learning environment.

HOW IT WORKS

Students are grouped into classes based on a combination of age and ability. They complete a short online assessment before the camp starts and then speak with a teacher on arrival to ensure they are correctly placed for their level. At the end of the camp, each player receives a written report and advice on how to continue their learning at home.

WHAT'S INCLUDED

- **UP TO 13 HOURS OF ENGLISH LESSONS PER WEEK**
- **1:12 TEACHER TO STUDENT RATIO (AVERAGE)**
- **INDIVIDUAL REPORT**

FOOTBALL WORKSHOPS

OFF THE PITCH

Players taking the Total Football option follow a series of workshops and recovery activities throughout the camp.

Fun discussions introduce younger players on the Development Camp to topics that explore how Chelsea FC players excel on and off the pitch. Specialist staff and coaches deliver engaging workshops to players on the Advanced and Goalkeeper Camps, giving them an insight into what it takes to succeed at the highest level. Players on the Performance Camp further explore match tactics and the mental toughness needed to transition to the senior game.

Outside the classroom, recovery exercises, such as yoga, help players manage the physical intensity of training twice a day.

LIFE ON CAMP

Camps are action-packed with sport, learning, and meeting friends from around the world. Camp life is designed to provide a fun and supportive environment for players to grow in skills and confidence.

ACCOMMODATION

Players stay in boarding houses on campus based on age group, with boys and girls in separate houses. All houses have a communal players' lounge for relaxing during downtime.

Some boarding houses have single bedrooms only. Where houses have shared bedrooms, we may be able to accommodate roomshare requests.

MEDICAL AND INJURY

Medical staff are available on-site each day to monitor illness, medical conditions and dispensation of medication. Further support and advice is provided by an on-call private doctor. Sports therapists or physiotherapists are present during sports sessions in case of injuries and subsequently to advise on recovery.

DIET, NUTRITION AND HYDRATION

Meals are nutritionally balanced and designed for young athletes. There are a variety of options to choose from, including a vegetarian option. Welfare staff guide each player to ensure they are eating and drinking enough of the right foods during the camp. Coaches ensure players drink plenty of water during training sessions.

HOMESICKNESS

Settling into camp is a big step, and for many players it's their first time away from home. Our schedule gets everyone active and making friends from the moment they arrive, so homesickness usually eases after the first day. Experienced welfare staff are on hand for extra support, and we ask parents to limit contact early on to help their child settle.
